The  
FRIENDS  
Of the  
FLINDERS RANGES  
NATIONAL PARK

The Friends Group consists of people just like you – people of all ages who appreciate the beauty and diversity of the magnificent Flinders Ranges National Park. It provides an opportunity for those who want a way to give something back to a place that has offered so much to generations of visitors in so many different ways.

## THE FRIENDS

You may wish to become involved as an active member, taking part in a variety of working bees. Or, if not, at least you can be sure that your membership fee is helping with our work. Either way, you will be kept up to date with our monthly newsletter.

And we don't only work – though that's fun too, with a real sense of accomplishment! We usually end the day with a BBQ and a chat. Sometimes we have a special outing to reward ourselves for what we have achieved, such as a tour of 'European Heritage Sites' (ruins) or a spectacular 4WD tour.

*Some of the projects that the Friends of the Flinders have been involved with so far include:*

- Wilpena Homestead – Care of garden and restoration of outbuildings
- Rebuilding dry-stone wall at Appealinna
- Rebuilding Guide Hut on Moodlatana Creek
- Restoration at Aroona ruins

- Revegetation, seed collecting and weed control
- Hosting the very successful state-wide Friends of Parks Forum at Wilpena, 2008
