Dear

First of all, huge congratulations on delivering an absolutely superb forum over the weekend. Each of you should be very proud of (and are no doubt exhausted by) your achievements over the last two years in the lead up to the weekend.

I had the opportunity to talk with many staff and volunteers during the forum, and was excited to hear people absolutely buzzing about what they had experienced - from the talks, to the tours and the sense of partnership between the Department and the Friends network. I think a very solid grounding has been set for the future development and strengthening of the DEH/Friends relationship.

I've enclosed a certificate that acknowledges the Committee's work. Once again on behalf of the VSU - congratulations on a great forum.

Kind regards

Kosette Lambert
