Vince,

I would like to congratulate you, and all the organising team, on this years Friends Forum. All of the staff from the Southern Lofty District thoroughly enjoyed the event including both the formal and informal opportunities to network and learn. I continue to marvel at the quality of every element of the event, especially since logistically it was obviously a huge operation to pull together. For us the attendees, it ran seamlessly, with nothing being overlooked. The tour booklets were fantastic, as were the hand engraved name plates, the quality of the food and service, the diversity of speakers, the always burning warm fires, the musical entertainment, and all those amazing behind the scenes workers who I know slaved away washing hundreds of dishes, setting up the fabulous dinner and standing in the cold directing traffic.

When you all finally get a moment to catch your breath and recover, take a moment to pat yourselves on the back. It was an amazing effort, a fabulous setting and a truly successful event, that I am sure will be talked about for years to come.

From all the Southern Lofty staff, I extend our congratulation and a massive thank you for such a memorable weekend.

Regards
